Re: Request for Information Pursuant to Section 104 (e) of CERCLA, 42 U.S.C.
Section 9604 (e) Bayonne Barrel & Drum, Superfund Site, 150-154 Raymond
Boulevard, Newark, Essex County, New Jersey:

Dear Mr. Cosentino:

In response to the two (2) letters I received from your office, one addressed to Cinelli Scrap Metal & Wood, 13 Bostwick Avenue, Jersey City, New Jersey; the other to myself personally, Mr. Joe Cinelli Sr., 88 Rose Street, Woodridge, New Jersey, the following information for the referenced subject is being provided.

Upon review of our records for approximately the last ten (10) years, we show no activity with the referenced facility. Prior to that our recollection is that we transported approximately 1000 drums of empty copier toner from Hunt Chemical to the facility in question during the period 1978-1980. As we can best determine, this was the extent of our activity with this facility, with no other information being available.

As such, we would ask that any additional request for information be waived. Should you have any further questions, please contact me at (201) 935-3178. Thank you for your courtesies in this matter.

Very truly yours,

Joe Cinelli
Mr. Joe Cinelli Sr.
